

KID'S BOX LEVEL 4 NEW GENERATION AB

NIXON, CAROLINE / TOMLINSON, MICHAEL

SINOPSIS

A generation has learnt English with Kid's Box. Maskman, Marie, Trevor, Monty, the Star family and their friends are back as your loyal classroom assistants, to help give the new generation a happy learning experience, full of affection and humour. The course teachers and learners know and love is instantly recognisable. It's just bigger, brighter and, to put it simply, even better! Kid's Box New Generation is a 7-level general English course that takes learners through to A2 by the end of level 6. It's also officially validated exam preparation material, with a syllabus that follows the Cambridge English Qualifications for Young Learners. The Activity Book, now in colour, covers the target language from the Pupil's Book. One exam practice activity per unit familiarises children with the format of the Cambridge English Qualification for young learners. A unique access code inside the front cover unlocks extra language practice, games and the course audio in an online learning platform. ...
